Parents,

As we prepare for the start of a new school year, we wanted to update you regarding the availability and process for students to take virtual courses at Renaissance Charter School at West Palm Beach during the 2015-2016 school year. As a school of choice, we understand how important it is for us to provide a variety of curriculum and instructional options for our students. As such, we have integrated our own virtual courses into our curriculum that will be monitored and supported at our school center, by our own teachers. These "on-site" virtual courses are all state approved and will provide our students with multiple course options and direct support and monitoring by RCSWPB teachers. All virtual courses are fully and completely part of the RCSWPB educational program.

A complete list of virtual courses that RCSWPB offers is available through our Guidance Counselor. These virtual courses will become part of our curriculum and instructional offerings for our students and families who have selected RCSWPB as a school of choice. Since each course, traditional and virtual alike, are uniquely incorporated into our proven curriculum, virtual options are limited to our extensive list of courses. If you have any questions regarding virtual course offerings, you may contact Ms. Laguerre or Mr. Lupton at 561-839-1994.

We thank you for choosing Renaissance Charter School at West Palm Beach as your school of choice, and look forward to an incredible school year!

Sincerely,

Michael Lupton

School Principal
